Hello,

I just wanted to drop you a line and tell you how much I admire you for what you both do for cats. I met you along with my boyfriend, David on Saturday at your shop. He donated \$50 to you on the spot when I asked him to give something. He's not a huge cat person but indulges me!! We told you about me having 3 stray cats show up in my yard and me already having 4 cats that I rescued from life on the streets. I just can't take these other 3 in as my house is small. I did contact the Cooperstown ASPCA to ask for the vouchers for TNR so I can at least get these strays checked out. I've been feeding them about 2 months now. I've spent my life also trying to help stray cats. When I was a child, people dropped them off at our house cause we had a barn. They'd hide under my house and I'd steal food from our fridge to feed them secretly cause my parents wouldn't allow it otherwise. I donated \$25 today to you. I wish I could do more but I am disabled myself from heart damage after a heart attack and live on a limited budget myself. I sure hope you can pay your taxes and not go in foreclosure.

God Bless you for all you've done and are doing!

Hugs,  
Barbara
